

ARTS COUNCIL MISSION

The San Benito County Arts Council promotes diversity, quality and involvement in the arts for the people of San Benito County; we are charged to encourage and assist cultural and artistic growth, to provide access to the arts for all residents and to establish a favorable climate for artists to live and work.

Become our Partner in the Arts!

The San Benito County Arts Council is a new organization which provides resources and referrals for county artists, a directory of artists, coordinates a calendar of events, and provides promotional assistance to local artists and event producers such as *Open Studio*. Our target participants are local artists and performers, and any San Benito County resident who is interested in the arts.

Membership Has its Benefits!

Each level of Membership also enjoys all the benefits listed in the lower levels.
