

Lesson Plan

"Protection Animal Drawing"

OBJECTIVE:

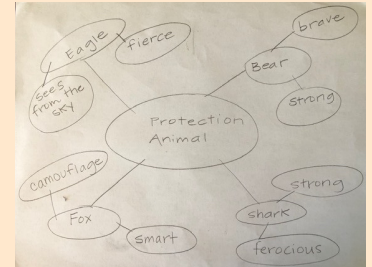

- Create a protection animal and identify feelings you might be having while expressing your emotions through art.

MATERIALS:

- Paper
- Pencil and eraser
- Crayons, Markers or Watercolors

STEP 1:

Brainstorm with a list or idea map some animals that you like and why. You can research how others might draw different animals. It can look any way you like!

STEP 2:

Sketch your protection animal lightly.

STEP 3:

Add details to your drawing. Write some words that reflect some things that you might be worried about.

STEP 4:

Complete the piece by filling the page, adding more color and a final outline!
